

would have been entitled if the performance rendered had met all requirements.

**§755.16 Access to farms and to farm records.**

County committeemen or their authorized representatives, or any authorized representative of the Secretary of Agriculture, shall have such access to farms and to records pertaining thereto as is necessary to make acreage determinations and to determine the extent of compliance with the terms of the contract.

**§755.17 Preservation of cropland, crop acreage and allotment history.**

The cropland, crop acreage, and allotment history applicable to the designated acreage shall be preserved, for any Federal program under which such history is used as a basis for an allotment or other limitation on the production of such crop, for the period covered by the contract and an equal period thereafter so long as the approved practice is maintained on the land.

**§755.18 Appeals.**

Any person may obtain reconsideration and review of determinations made under this subpart in accordance with the Appeal Regulations, part 780 of this chapter (29 FR 8200), as amended.

**§755.19 Availability of funds.**

The provisions of this program are necessarily subject to such legislation as the Congress of the United States may hereafter enact; the payments provided for in this subpart are contingent upon such appropriations as the Congress has or may hereafter provide for such purpose, and the amount of such payments must necessarily be within the limits finally determined by such appropriations.

**§755.20 Rural community development projects.**

(a) Notwithstanding any other provision of this subpart, the county committee, in accordance with instructions issued by the Deputy Administrator, may enter into a contract with a State, county, city, town, or subdivision

thereof, or a group acting for such a body, which owns, operates, or occupies land in the Appalachian Region. The contracts approved under this section shall be for projects which promote rural community development and conservation of the soil and water resources of the region.

(b) Cost-sharing approved under this section shall not exceed 80 per centum of the cost of carrying out the approved land uses and conservation treatment on 50 acres of land occupied by such owner, operator, or occupier.
